

Boys Events

The following individuals and relay teams have qualified for the Norfolk Track and Field Classic based on enter times, distances, or heights. **All times have been adjusted for FAT timing.** If participants are scratched, we will contact the next time/distance to fill the opening. **(Note: With this original mailing any scratches will result in the next athlete being moved up and a new listing sent out yet tonight. From tonight forward we will ask for confirmation of movements)** In events where extra individuals are entered due to ties, we will further attempt to break ties. Management does reserve the right to change entries in the case of typing errors or misinformation. The next individuals in each event are listed in yellow to help you know where you stand. Lists will be updated yet today. Last updated – 2019 pm
